Bear River High School Newsletter

Issue 1/17

Welcome back everyone, we hope you all had a great holiday. This is an exciting time of year with soooo much going on! We wish all of our teams the best of luck this month! By the end of January, we will be into the region finals in Basketball, wrestling, and swimming. Our high Steppers, winter color guard and cheerleaders will also be competing. And along with all of these, we will be hosting our first ever Robotics Tournament January 14th. Good Luck to all of our Bears! Important changes are also on their way! Some changes have already begun, but as January begins, watch for even more important changes to CLAW time in an effort to make it more beneficial to each of you. January will also begin our ACT prep for all our Juniors as the day for the ACT test approaches the end of February. And finally, amidst all of this excitement, we continue to move ahead in each of our classes with midterms on the 18th and Parent Teacher conferences on the 23rd. Wow, January truly is a busy time of year, so we wish everyone of our students and staff the best of luck and a wonderful start to a new year! –*From the desk of Mr. Jackman*

Girl's Choice

Saturday, January 21, 2017

Tickets $15

8:00 pm in the commons

Bear River High School made a wish come true

Thanks to the generous donations of students, faculty, and the community, almost $3,000 was raised towards Anya's dream of an Alaskan cruise and to go dog sledding. The school activity that made the most money was Thursday's in class service/pay to get out project. We enjoyed many other fundraising activities that week including Wednesday's wax day and yummy waffles. The council is grateful that Make-A-Wish Utah allowed them to be a part of the program and run a fundraiser for them. Congratulations everyone!

MAKE-A-WISH.
