

Bear River High School Eligibility & Code of Conduct Agreement

The Utah High School Activities Association (UHSAA) requires that all students who compete in high school interscholastic athletics must have verification of the following prior to participation: 1) Form A Physical Examination on file, Form B Physical Evaluation every year, 2) Health Insurance, 3) Parental Consent to Participate and UHSAA eligibility rules and regulations signature.

We have read and agree with the code of conduct and eligibility requirements for participating in Bear River High School athletics as outlined in the student handbook. We understand the intent of the code and recognize that student participation in Bear River High School athletics is dependent upon conduct and eligibility expected by the school, community, the UHSAA, and applicable laws and policies. We agree that participation in high school athletics should promote scholastic success and achievement, good sportsmanship and citizenship, and healthy lifestyles.

We certify that our child meets or exceeds all athletics standards for eligibility and conduct, and agree to the consequences for failure to meet these standards, as heretofore explained. We also certify that the above named student has not violated any rules of conduct, of the UHSAA or Bear River High School.
