

REGISTRATION: Senior Parent Release Form

Parent Release is available to Seniors during 1st and 6th hours only. You must fill out this application which will be reviewed by your counselor. After your counselor reviews your graduation credits and you are approved, you will be placed into Parent Release. Denied applications will be returned to the student with an explanation.

I, _____ am requesting a parent release for the following:

Please Check Terms/Periods: Tri 1 Hours: 1st 6th

Tri 2 Hours: 1st 6th

Tri 3 Hours: 1st 6th

Explain below why you are requesting a parent release. Explanation must be legible and well thought out for approval.

I understand that a parent release is just that – a release to a parent. I am not allowed on campus during a parent release. I also am not allowed to be out in the community unless I am with a parent (i.e. I cannot be hanging out at stores or restaurants unless I am with a parent). I understand that a parent release CAN affect my eligibility to play sports in high school (Utah High School Activities Association rules). I also understand that a parent release will affect the number of credits I can earn and therefore, could impact my graduation.

Administration Signature: _____

Date: _____

Full-Time Status

A student at Bear River High School is considered a full-time student when they are enrolled in five approved courses during the trimester. Approved courses include on-campus classes, Bridgerland Applied Technology College classes, work based learning placements, or an approved early college program. Less than full-time status will impact a student's eligibility for the honor roll, athletics, student government office and other school activities.

To be filled out by your counselor
