

## BEAR RIVER HIGH CLUB CODE

1. All clubs exist for the purpose of service to the school and development of the individual student.
2. In order to organize and operate as a school club, the following will be submitted to Student Council officers:
  - A. The Constitution of the club.
  - B. A formal petition for the club charter (form available in the student council room).
  - C. A list of the proposed members and officers. (It is recommended that at least 15 be necessary to justify existence of any club.)
  - D. A list of requirements for membership. (If and when any member of the student body meets these requirements and desires to become a member of any club, he/she may then be a member of said club upon proper application.)
  - E. A signed, written parental consent form from all clubs members must be obtained.
3. All club charters expire at the close of each school year and reapplications must be made for the new year. (We would like all existing clubs to have their constitution in by September 15<sup>th</sup>.)
4. Each club must have an advisor which is a certificated employee of Bear River High School.
5. All names, symbols, emblems, and actions of the club will be kept in good taste, suggestive of the nature of the club.
6. Club membership requires adherence to Code of Conduct Guidelines and academic performance of 2.0 or better.
7. Transportation is the responsibility of the club and will not be provided by BRHS.
8. All clubs will be organized with approval of and under the supervision of the school principal and staff. All constitutions for school clubs must receive approval from the Board of Education before club can be organized.
9. Any violation of any of these regulations may result in the cancellation of the club's charter.

### SCHOOL SONG

Our dear old high school  
We're loyal unto you  
And proud of the place  
That you will always hold.  
Our mountains bold  
With strength untold  
Will always help us to uphold  
Ideals good and true  
We all have learned from you  
Out here beneath the Utah skies.  
Bear River High you're the best  
Of all in the West  
And growing dearer as the years go by!

### FIGHT SONG

Cheer, cheer for Bear River High  
Wake up the echoes, cheer to the sky  
Send a roaring cheer aloud;  
Shake down the thunder from a cloud.  
What though the odds be great o' small  
Bear River High will win over all  
While our loyal sons are marching  
Onward to victory!
